Dear Administrator,

Bayer CropScience LP (BCS) is submitting a revised test plan and updated robust summary on O,O-diethyl dithiophosphate acid. The original test plan and robust summary on this chemical were submitted by Bayer Corporation. In addition, a robust summary is being submitted on O,O-diethyl dithiophosphate sodium salt and data sharing on this acid/salt pair is being proposed in the revised test plan.

The revised test plan is being submitted electronically as a pdf file. The robust summaries are in the IUCLID format and are being submitted as IUCLID export files as well as pdf files. If you have any questions regarding this submission, please contact Dr. Ann Blacker by phone (919-549-2973) or e-mail (ann.blacker@bayercropscience.com).
